

Early Stage Alzheimer's Support Group

This group is for individuals diagnosed with Mild Cognitive Impairment, Early Stage Alzheimer's disease, or another related dementia. A separate, but concurrent group is available for families.

Compassionate, professional facilitators experienced with Alzheimer's and dementia related issues facilitate both groups.

How will you benefit?

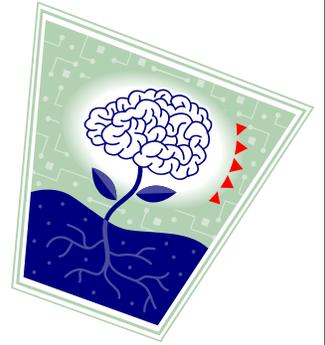

You will attend a group with others experiencing similar situations. Learn how to deal with challenges, develop new coping techniques, and discover helpful tools and resources.

For more information on pre-screening, meeting location and times, please call Dale Thielges at 800.272.3900

Please note: there is a \$10 fee per person, per session.
***Scholarships may be available.**

The Alzheimer's Association welcomes and is supportive of all persons regardless of age, race, gender, class, ethnicity, sexual orientation, language, physical ability, or religion. **Pre-screening is required to attend this group.**

memory loss discussion group

A bi-monthly discussion group for persons with early stage memory loss & their care partners.

A diagnosis of Mild Cognitive Impairment (MCI), Alzheimer's disease or a related dementia is life-changing and leads to many questions. What will this mean for me and my family? How do I plan for the future? What help is available?

Living with Early Stage Memory Loss is an interactive discussion group where you will receive the information you need, share your experiences, and make new social connections with others who are also facing early stage memory loss.

1st and 3rd Wednesday of each month

Please contact Dale Thielges for more information about meeting times and pre-screening.

800.272.3900

A pre-screening is required to attend, and space is limited. We ask that registered members commit to attending regular meetings. PLEASE NOTE: a program fee of \$10 per person per meeting will be billed at the end of each quarter. Scholarships may be available if needed.
